## Classic History & Purpose

Our first "Classic" took place in October of 1984. Although we didn't fill all the places in the 150 entries limit that year, word spread quickly among Muskie hunters of the professional event we had hosted. Muskie anglers from all over travel to Pewaukee to partake in this worthwhile tournament.

This is a fund raising tournament. Much of the money raised is used to benefit our Muskie rearing and stocking effort for Okauchee and Pewaukee Lakes. Originally, the funds were used for support of our Pewaukee Lake Research Project which is said to be one of the most comprehensive studies of Muskies ever done on a single body of water. We have historical records for Pewaukee Lake on water quality, weed control, fish stocking, fish surveys, capture data, fyke netting, tagging, radio tracking, creel surveys, water sampling, and feeding habits, related to the watershed and Muskie behavior for a heavily managed lake.

The monies raised are also used for monthly programs, summer youth outings, our veterans memorial outing, the publication of our newsletter and much more. Additionally, we constantly strive to lead or be involved with community projects that makes the best use of our expertise.

## Our Sponsors:

Thanks to the sponsors of our "Classic". A list of sponsors who donated their products and services will be posted at tournament headquarters. Many of them have supported us since our first tournament. Please help us repay their generosity by purchasing their products or shopping in their stores. They are people who really care about the future of sport fishing in our area.
